HOW WE SOLVE

IT

AI Itinerary Builder

Smart suggestions based on group preferences, budget & dates, all generated in seconds.

Group Coordination

Polls, votes, and real-time availability syncing; no more endless group chats.

Expense Splitting

Track costs, split bills, and settle up automatically. Zero awkward conversations.

One Unified Hub

Flights, hotels, activities & notes all in one place. Shareable with the whole group.

GO-TO-MARKET STRATEGY

Months 7-18

- Beta at CU Boulder
- Campus table event
- Greek life involvement

Months 7-18

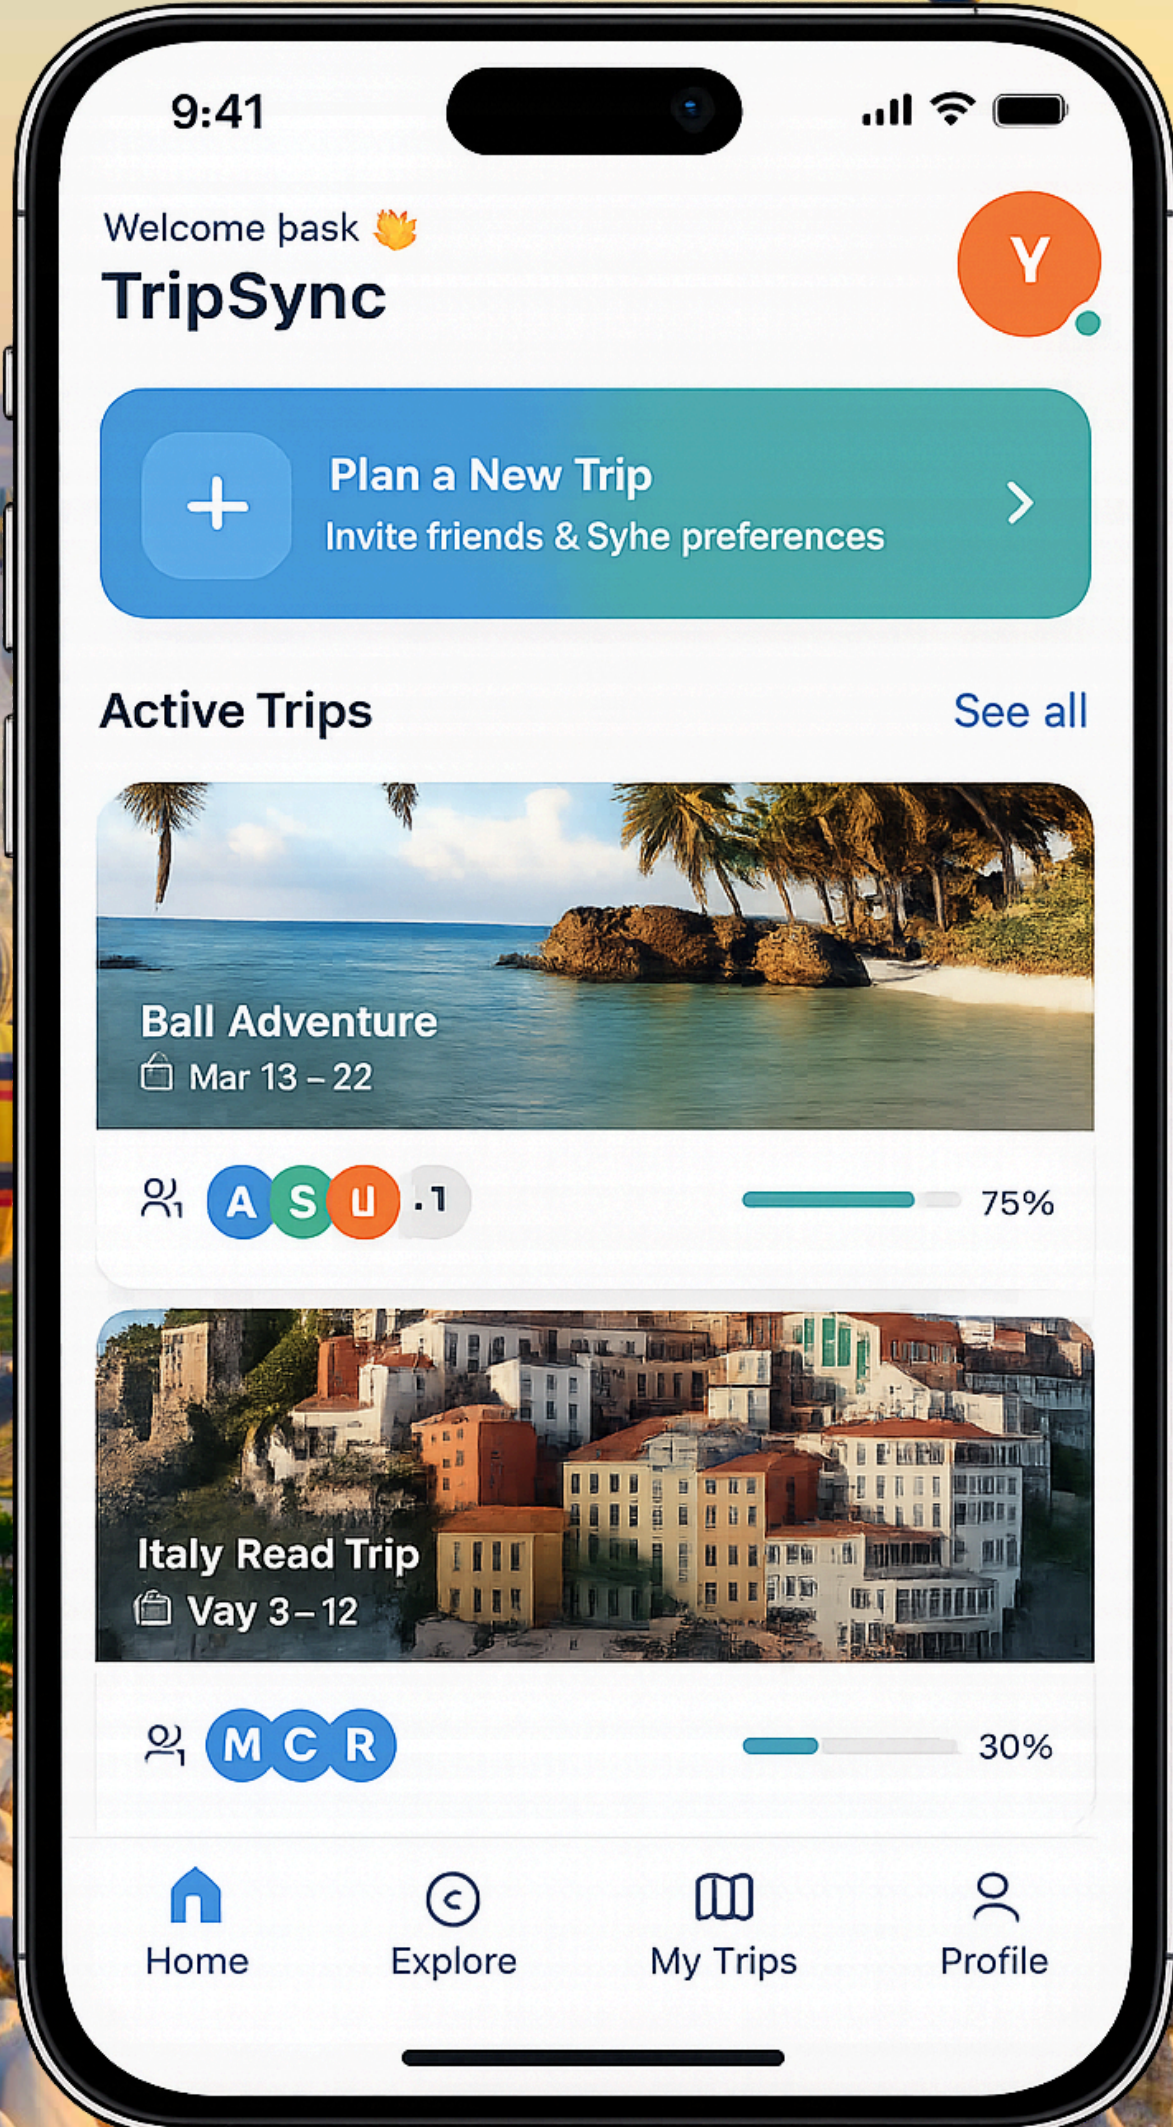

- social media strategy
- travel Influencer collabs
- Group travel word of mouth

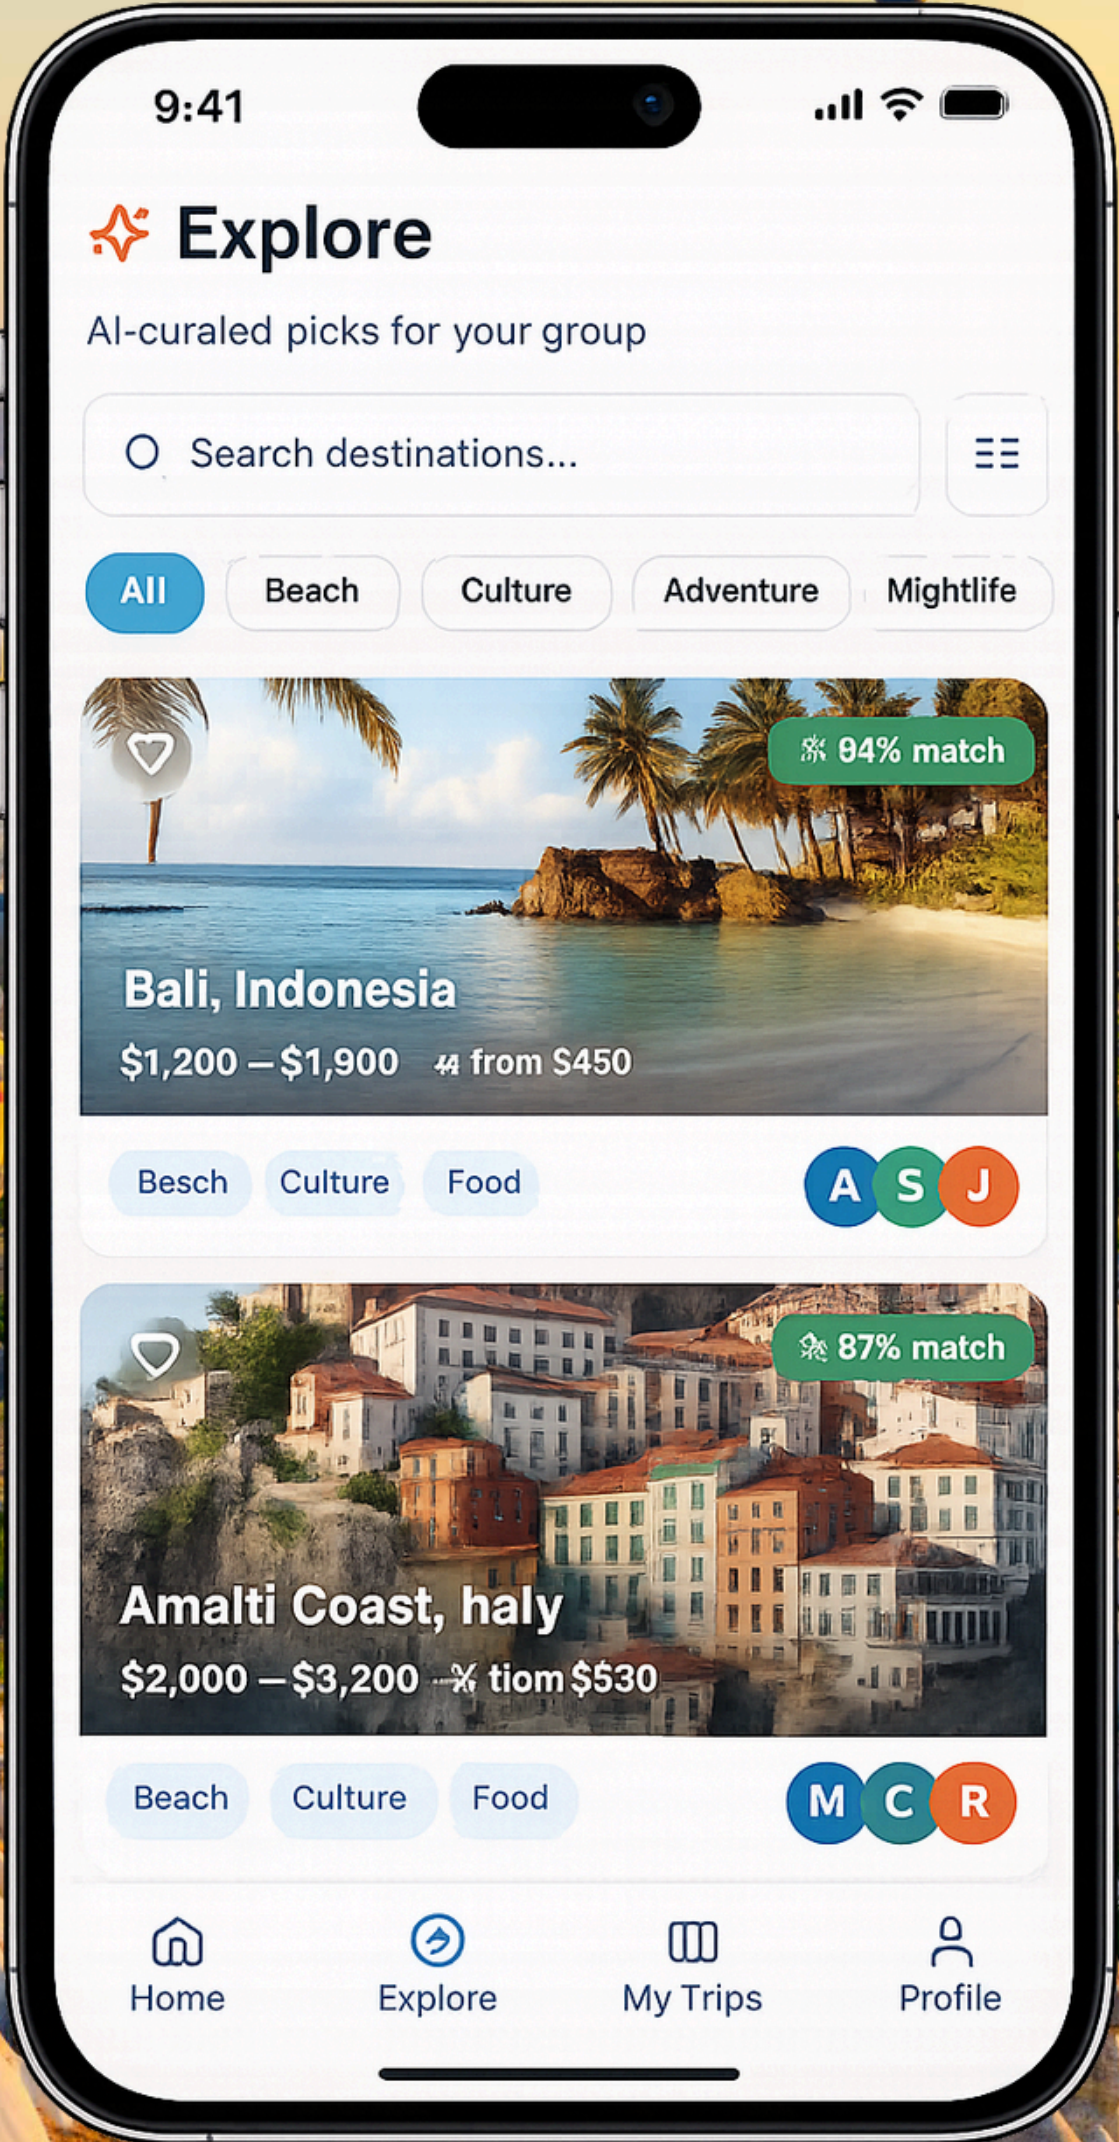

Months 7-18

- Run paid ads towards Millennials
- Reward system for users
- Partnerships with local tourism groups
